## **CADY MCCLAIN RELEASES LIVE “CLUB PASSIM” CD**

*Emmy Winning Actress-Singer-Songwriter recorded the live album in concert at “Club Passim” in Cambridge, Mass, February 2008.*

(New York) - **Cady McClain**, known to audiences as a daytime heroine on more than one popular soap opera (*All My Children* and *As the World Turns*), played a collection of songs from her debut album “Blue Glitter Fish” to an unusually packed house at Club Passim in February 2008. The recordings from that night were recently released in a much anticipated new album, “**Club Passim**.”

“I am not often available for live performances, but I had a little free time and I was feeling really excited about playing at such an esteemed venue. How could I not want to play in Cambridge on the same stage as Bob Dylan and Joan Baez?” Cady quipped.

The rare performance and subsequent by-product “Club Passim” reveals the particularly special bond between Cady and her audience as well as the performer’s innate ability to make the connection through song.

The performance on the album of “You Are My Sunshine” was born out of its epic popularity with her former soap fans, after Cady’s character Dixie on “All My Children” sang it to her son on multiple occasions as he grew up on the show. She even returned as Dixie’s ghost in 2010 to sing it to her grown son who was dying of cancer. It became a “theme song” of sorts, for her character. Cady was thrilled to pay special homage on this album to her character Dixie and to her fans for all their years of support. The concert version of “You Are My Sunshine,” was requested by an audience member and it became a sing along as well as a sweet exemplification of Cady’s bond with her fans.

“It’s a thrilling time for me, to have the freedom to explore music and other art forms that truly inspire me” said McClain, “Right now I’m working on a novel, and plan to go back into the studio soon to record a new album. It’s pretty exciting.”

“**Club Passim**” is available for download from **CDBaby** (<http://www.cdbaby.com/cd/cadymcclain6>), and through CDBaby will be available at Amazon.com, iTunes, and more.

Cady McClain is available for interviews. Copies of “Club Passim” are available for print and online reviews. Press kit and more information are also available upon request.
